The Continental District 2014 Klondike Derby Leader's Guide "Into The Cold"

Camp Hart
Green Lane, Pennsylvania
January 17, 18, & 19, 2014

The 2014 Klondike Derby
"Into The Cold"

The Continental District's 41th Annual Klondike Derby will be held at Camp Hart on January 17, 18, & 19, 2014. Headquarters, Registration, and the First Aid area for the weekend, will be located at the Camp master's Cabin. The Awards Ceremony, Church service, and Staff meetings will take place in the dining hall.

A $7.00 per person fee for Scouts and Leaders is required. Kindly return the Registration Forms before January 1, 2014 as to allow proper logistical preparations. All paying participants will receive an event patch and a chance to win station awards. **Troop and patrol rosters must also be sent at the time of registration.** Amendable forms are included in this packet. Please email Troop rosters to jzekelly@comcast.net. Any final roster updates, and payment can be made by check on the Friday of the event for the exact number attending. **Make checks payable to Cradle of Liberty Council, BSA.** A $3.00 per person fee for Cubs and Leaders is required for those just attending on Saturday. Please prepare a roster with names and emergency contact information for each attendee and provide payment on Saturday morning at time of registration.

Each troop will be responsible for reserving a cabin or campsite with John Kelly if staying in camp Hart. Camp Hart is set aside for our Klondike Derby. If staying in Delmont please contact the Cradle of Liberty Council Camping Service at (610) 688-6900.

Each patrol is expected to cook its own meals. Saturday's lunch will be "Foil Packs" Cooked in the staff area. Each patrol is required to bring 1 8 to 10 lb bag of charcoal to be dropped off at registration for event. Klondike staff will have charcoal fires ready for each patrol to cook on. Foil pack lunches should be packed in a small cooler & they will be an item needed for "Sled inspection" during the event. Hot coffee (Adults) and hot chocolate (Scouts) will be available throughout the day Saturday. **(Please have everyone bring their own cup or mug).**

The events are designed to test Scouts on patrol leadership, patrol teamwork, Scout spirit and Scouting skills. Patrols will compete for 100 points per station. Please try to have natural patrols to maintain overall equality for the derby. Patrol size is limited 4 / 8 Scouts unless approved by the event chairman prior to the opening ceremonies. Patrols will enjoy traveling "Into The Cold", encountering challenging events and obstacles which will require the use of various Scouting skills. Leaders, please prepare your Scouts for winter camping. NO SNEAKERS.

The Klondike Staff would like each troop to volunteer its SPL and JASMs to be Junior Staff Members at each station. Scouts should be running the stations not adult leaders.

Upon arrival at Camp Hart, proceed to the camp master's cabin for check-in.**YOU MUST HAVE A CHECK TO PAY FOR EVENT AND COMPLEAT TROOP ROSTERS.** Senior Patrol Leader, Patrol leaders and Scoutmaster must attend the troop leader's meeting Friday evening to receive the Klondike event patrol Packets. Each patrol will have a patrol ID number assigned to them. This ID number must be written on each score sheet before beginning the event and must be posted at patrol camp sites.

The adventure "Into The Cold" will start Saturday after the flag raising and opening ceremonies and end with an awards campfire in the late evening.

As in past years, the Scouts will be using sleds. Attached are sketches to help build the sleds. Don't be afraid to use your imagination. Your own design will be accepted if it conforms to the specified dimensions. **Only one set of removable wheels will be permitted on the back half of the sled. Placement will be located from the middle of the sled toward the back. Size and type will be of your choice. These wheels allow the sled to be used in the event there is no snow.**
