colbsa.org/paddle

Join us for a week-long trip of over 70 miles down the picturesque Delaware River. Scouts will campout at designated campsites along the river as they make the journey south from Damascus, PA to the Delaware Water Gap. During the trip, Scouts will be able to enjoy fun water activities, as well as work on requirements for the Whitewater Merit Badge. This is a great opportunity for Scouts that are looking for an exciting, outdoor experience and love the water!

Fawn Run Hiking Progam colbsa.org/fawnrun

Fawn Run is a week-long hiking program that will take the Scouts on an adventure all over the Resica Falls Property. With 4,600 acres, over 20 miles of trails and countless scenic overlooks, Resica Falls is the perfect place to spend a week hiking through the woods. With a Philmont-like style of staying at a different camp many nights, and having activities to do once you get to your campsite every day, Scouts are sure to want to come back for more!
